

## Nulon Diesel Fuel Detox (DFD)

Nulon Diesel Fuel Detox is a complete detergent based diesel fuel additive that assists with the economy, performance and algae protection of diesel engines. It is an extreme detox for the entire fuel system, including your fuel tank and engine, enhancing the performance of your diesel engine.

### Benefits

- Improves fuel economy, prevents power loss and boosts engine performance
- Reduces exhaust emissions
- Cleans injectors, including internal diesel injector deposits (IDID)
- Inhibits algae and bacteria growth
- Keeps unwanted water as micro particles, which pass harmlessly through the fuel system
- Disperses insoluble gums and varnishes preventing filter blocking
- Improves fuel storage including biodiesel
- Inhibits corrosion
- Reduces fuel foaming and spillage

### Directions for Use

#### DIRECTIONS FOR USE:

Simply add Diesel Fuel Detox to your fuel tank at 1ml per litre of diesel fuel. For best results use each time you refuel.

#### TREATMENT USE:

1mL to 1 Litre of fuel.

#### HOW TO USE MEASURING CHAMBER:

Loosen cap on measuring chamber (only) just enough to allow air release (around half a turn). Squeeze bottom of bottle to push fluid into the measuring chamber, releasing bottle once fluid reaches desired dosage. Then remove cap from measuring chamber and pour fluid into fuel tank. Replace cap and tighten for storage.

### Safety / First Aid

**SAFETY:** Combustible liquid. May be fatal if swallowed and enters airways. Causes skin and serious eye irritation. May cause an allergic skin reaction. Wear protective gloves and safety glasses where required. Store locked up.

**FIRST AID:** IF SWALLOWED: Immediately call a POISON CENTER/doctor. Do NOT induce vomiting. IF ON SKIN: Wash with plenty of water and soap. IF IN EYES: Rinse cautiously with water for several minutes. If skin or eye irritation occurs: Get medical advice/attention.

**SDS:** Additional information is listed in the Safety Data Sheet at [nulon.com.au](http://nulon.com.au)

### Pack Sizes

Part No: DFD-1

300mL - 6 Per Carton

Material No: 602276759

Barcode: 9311090004856
