

Diesel Fuel System Cleaner (DFSC)

Nulon Diesel Fuel System Cleaner is a premium diesel fuel additive designed to clean and protect diesel engines in ONE SHOT. The advanced formulation cleans fuel injectors in a single treatment, while corrosion-inhibiting technology protects and lubricates the fuel system.

Benefits

- Cleans & lubricates entire fuel system in ONE SHOT
- Restores diesel combustion performance
- Improves fuel economy
- Protects against wear and corrosion
- Reduces black smoke
- Compatible for all modern diesel vehicles and bio-diesels

Directions for Use

Add to fuel tank prior to filling.
Use as required or once every 7,500 km.

Safety / First Aid

SAFETY: May be fatal if swallowed and enters airways. Causes skin irritation.

Harmful if inhaled. Wash hands, face and all exposed skin thoroughly after handling.

Avoid breathing mist, vapours or spray. Wear protective gloves. Store locked up.

FIRST AID: If swallowed, do NOT induce vomiting. IF ON SKIN: Wash with plenty of water and soap. If skin irritation occurs: Get medical advice/attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. For advice, contact a Poisons Information Centre (e.g. phone Australia 13 11 26; New Zealand 0800 764 766) or a doctor (at once).

ENVIRONMENT: Toxic to aquatic life with long lasting effects. Avoid release to the environment. Dispose of contents/container in accordance with local regulations.
