

Pro-Strength Chain Lube

Nulon Pro-Strength Chain Lube is a multi-purpose spray grease that protects against water ingress, rust, corrosion and wear, and is suitable for use with on-road and off-road machines that use a chain drive system.

Nulon Pro-Strength Chain Lube is engineered to resist centrifugal forces at high speed/high load and extreme operating temperatures, whilst providing excellent lubrication and adhesion for minimal fling loss.

Suits

- Motorcycle chains
- Bicycle chains
- Chain drive units
- Sprockets/Gear wheels
- Cables

Directions For Use:

Directions For Use:

Use at room temperature.

1. Ensure machinery is turned off prior to application.
2. Shake can well before use.
3. Spray directly and evenly on the surface to be treated from the inside out, allowing the lubricant to penetrate for approximately 5 minutes.
4. Remove any excess lubricant with a clean, dry cloth.

Caution

Caution: Keep away from heat/sparks/open flames/hot surfaces. Do not smoke when using product. Pressurised container: do not pierce or burn, even after use. Do not spray on an open flame or other ignition source. Avoid breathing spray. Wear protective gloves/eye protection. Use only outdoors or in a well-ventilated area.
