

FILLER-TOOL FTDSG8N for Euro DSG M24 (WET)

Many late model vehicles require specific tools to facilitate the changing of transmission fluids. These tools have generally been unavailable to the DIY consumer until now.

Nulon's solution has led to the development of the FILLER-TOOL™ range. Each FILLER-TOOL™ is constructed from high-quality aluminium and designed to work in conjunction with the EZY-SQUEEZE™ patent pending applicator hose.

Benefits:

- Lightweight and compact for easy use in tight spaces
- To suit EZY-SQUEEZE™ pouch and hose
- Barbed tip and O-Ring for drip-free application
- Knurled grip reduces slipping
- Saves time and money
- FILLER-TOOL™ Available for 95% of the vehicles on Australian and New Zealand roads
