

Pro-Strength Heavy Duty Multi-Purpose Degreaser

Nulon Pro-Strength Heavy Duty Multi-Purpose Degreaser is a concentrated, solvent-based spray-on and hose-off degreaser formulated to dissolve baked-on oil, dirt, dust and grime, leaving a revitalised surface.

Directions For Use

Directions For Use:

Use at room temperature.

1. Shake the can thoroughly before use.
2. For engines: Run engine for 5 minutes to warm grease and oil.
3. For engines: Cover distributor, air filter and carburetor (if necessary).
4. Spray liberally on the surface/object to be cleaned.
5. For stubborn deposits allow additional time for the product to soak.
6. Agitate with a brush to liquefy congealed oil or grease.
7. Wash off with clean water using a hose or brush.
8. If necessary, wipe off with a clean cloth and leave to evaporate or dry.

Caution

Caution: Keep away from heat/sparks/open flames/hot surfaces. Do not smoke when using product. Pressurised container: do not pierce or burn, even after use. Do not spray on an open flame or other ignition source. Avoid breathing spray. Wear protective gloves/eye protection. Use only outdoors or in a well-ventilated area.

Warning: This is a heavy duty product not suitable for general detergent use. May damage paint and some surfaces. Surfaces must always be tested in a concealed area first.
