

## Octane Boost and Clean

Nulon Octane Boost & Clean softens and dissolves fuel injector and combustion chamber carbon deposits, which are a major cause of poor performance, rough running and engine detonation (pinging). Using Octane Boost & Clean as a regular maintenance product will ensure your vehicle regains lost performance, starts easier and runs smoother. Safe for all unleaded fuels (including E10 & E85 bio-fuel).

### Benefits

- Cleans injector & carburettor deposits
- Boosts engine performance
- Boost octane by up to 2.5 numbers
- Stops engine detonation (pinging)
- Easier starting & smooth idle
- Improves exhaust emissions
- Safe for catalytic converters & oxygen sensors

### Directions for use

1 bottle treats up to 60 litres of fuel. Add directly to fuel tank prior to filling. Use every 4th tank of fuel to prevent pinging and improve performance.

**TIP:** For high performance engines use Nulon Pro-Strength Octane Booster.

### Safety / First Aid

**SAFETY DIRECTIONS:** Avoid contact with eyes or skin. DO NOT SWALLOW. Keep out of reach of children. Combustible. Keep away from heat or flame. Do not breathe vapour. Wash hands thoroughly after use. Not to be used as a food container.

**FIRST AID:** For advice, contact a Poisons Information Centre (Phone e.g. Australia 131 126; New Zealand 0800 764 766) or a doctor (at once). If swallowed, do NOT induce vomiting. If in eyes, hold eyelids apart and wash the eye continuously with running water. If skin contact occurs, wash with running water.

### Pack Sizes

**Part No: OBC**

300 ml - 6 Per Carton
