Petrol Injector Cleaner

Nulon Petrol Injector Cleaner is a powerful chemical cleaner that helps clean your fuel injection or carburettor system in one tankful. This product helps to eliminate hard starting, rough running, flat spots on acceleration and poor performance. Safe to use in all petrol including E10, E70, E85 & 100 RON bio-fuels.

Benefits

- Cleans fuel injectors & carburettors in one tankful
- Cleans intake valve deposits for easier starting
- Restores fuel economy and acceleration
- Safe for all petrol cars
- Reduces environmentally dangerous emissions

Directions for use

TREAT RATES:

- PIC 150ML - TREATS 1 TANK
- PIC 300ML - TREATS 2 TANKS
- PIC 500ML - TREATS 250 LITRES

DIRECTIONS FOR USE:

PIC150: Directions For Use: Add bottle contents to fuel tank prior to filling up. Repeat every 2,500km
PIC: Directions For Use: Add 150ml prior to filling tank. Repeat every 2,500km.
PIC500: Directions For Use: Add 100ml for every 50L of fuel prior to filling tank.
NOTE: To keep the system clean, use once every 2,500 km. If the fuel system is very fouled or dirty use Nulon Total Fuel System Cleaner (TFSC). NOTE: Over-treatment will not cause damage.

First Aid/Safety Direction

SAFETY DIRECTIONS: Avoid contact with eyes or skin. DO NOT SWALLOW. Keep out of reach of children. Combustible. Keep away from heat or flame. Do not breathe vapour. Wash hands thoroughly after use. Not to be used as a food container.
FIRST AID: For advice, contact a Poisons Information Centre (Phone e.g. Australia 131 126; New Zealand 0800 764 766) or a doctor (at once). If swallowed, do NOT induce vomiting. If in eyes, hold eyelids apart and wash the eye continuously with running water. If skin contact occurs, wash with running water.
