

## Premium Mineral 75W-80 Smooth Shift Manual Gearbox and Transaxle Oil

Nulon Premium Mineral 75W-80 Smooth Shift Gearbox & Transaxle Oil (SS75W80) is an extreme pressure API GL-4 premium mineral gear oil that provides smoother shifting in cold temperatures, helps reduce gearbox noise and control idle rattle at higher operating temperatures.

This fluid is recommended for modern vehicles requiring manual transmission fluid and can be used as a replacement for engine oil (such as 10W-30 in Honda's) or where automatic transmission fluid is recommended in manual gearbox.

Nulon SS75W80 is also a performance upgrade where a monograde SAE 80 is recommended. The multi-grade formula provides better cold start protection, reducing gear notching and premature wear.

### Benefits

- Excellent wear protection
- Provides quieter gearbox operation
- Improved protection for synchronisers during heavy load
- Easier low temperature shifting
- Thermal stability to withstand varied operating temperatures

### Typical Characteristics

Typical Characteristics	SS75W80 (new)
SAE Viscosity Grade	75W-80
KV @ 100°C, cSt	7.540
KV @ 40°C, cSt	53.23
Viscosity Index	107
Density @ 15°C, g/mL	0.8664
Pour Point, °C	-39
Brookfield Viscosity @-40°C, cP	124000

NOTE: If you are unsure of your vehicles requirements, consult your owners handbook or visit Nulon's extensive product information website [www.nulon.com.au](http://www.nulon.com.au) or the reference chart where fluids are sold.

### Health and Safety

Avoid prolonged and repeated skin contact with used oils. During handling, wear suitable gloves and wash hands thoroughly after use. If skin contact occurs wash immediately with soap and water. Dispose of container properly as per EPA guidelines. Do not use this container for fuel or solvents.

Meets or exceeds the following oil industry specifications	
American Petroleum Institute	API GL-4
Ford	ESW-M2C-83A/B
GM Claims	HN 1046, HN 1070, HN 1820
US Military	MIL-L-2105
ZF Specifications	ZF TE-ML-01, ZF TE-ML-08

### Pack Sizes

Part No: SS75W80-1E  
1 Litre - 4 per carton  
Barcode: 9311090005440

Part No: SS75W80-20  
20 litres - Single Unit  
Barcode: 9311090004184
