

Pro-Strength Octane Booster

Nulon Pro-Strength Octane Booster has been specifically formulated to provide maximum power output for all high performance 2 and 4 stroke engines with injectors or carburetors. This product instantly boosts the octane rating of all types of petrol, including racing fuel. Nulon Pro-Strength Octane Booster also eliminates pinging (detonation) and is the ideal substitute to use in standard unleaded fuels (including E10 bio-fuel) where premium unleaded petrol (PULP) is required.

Benefits

- Boosts octane by up to 7 RON (70 points)
- Gain peak performance & acceleration
- Maximise horsepower
- Prevents engine damage caused by detonation
- Safe for catalytic converters & oxygen sensors

Directions for Use

DIRECTIONS FOR USE: 1 bottle will treat 60 litres of fuel. Add directly to fuel tank. Prevent contact with paint (if spilt, wash off paintwork immediately).

NOTE: For maximum power, it may be necessary to advance the ignition timing.

Caution

SAFETY DIRECTIONS: Avoid contact with eyes or skin. DO NOT SWALLOW. Keep out of reach of children. Combustible. Keep away from heat or flame. Do not breathe vapour. Wash hands thoroughly after use.

FIRST AID INSTRUCTIONS: For advice, contact a Poisons Information Centre (Phone e.g. Australia 131 126; New Zealand 0800 764 766) or a doctor (at once).

CAUTION: Do not reuse container for any other purpose.

Pack Sizes

Part No: PSOB

500 ml - 6 Per Carton
