

Truck and Agri High-Tack Lithium Complex Grease (TAG)

Nulon Truck and Agricultural Grease contains advanced lithium complex thickeners representing the most advanced lubricating technology. Recommended for use in heavy duty trucking and agricultural applications that demand protection from water, high heat, load, shock conditions and resistance to grease squeeze out.

Benefits:

- Prevents corrosion
- Water resistant
- Super tacky
- Shear stable
- High temperature performance

Pack Sizes

Part No: TAG-C
450 g cartridge - 9 per carton
Barcode: 9311090006461
