

Protect Full Synthetic 10W-40 Premium Engine Oil

For use in Australian, Japanese, US and European high performance non-turbocharged and turbocharged petrol, diesel and LPG engines that require a low viscosity engine oil. Nulon Protect Full Synthetic 10W-40 Premium Engine Oil provides excellent anti-wear protection from the moment you start the engine.

Nulon Protect Full Synthetic 10W-40 Premium Engine Oil has added Molybdenum Dithiocarbamate (Moly DTc) to give you additional peace of mind performance. Moly DTc is proven to dramatically reduce friction and provide increased engine wear protection from cold start to extreme temperatures, giving you additional benefits over standard engine oil additives alone.

BENEFITS:

- Premium choice for both high performance protection and fuel efficiency
- Full synthetic formulation ensures oil stays in-spec longer
- Added Moly DTc provides additional protection over standard engine oil alone
- Enhanced protection for vehicles using E10, E85 and LPG fuels
- Greater temperature stability over mineral oils
- Keeps your engine clean and prevents sludge formation
- Excellent low temperature, cold start performance

Specifications

Meets or exceeds the following oil industry specifications

- Society of Automotive Engineers (SAE) : 10W-40
- American Petroleum Institute (API) : SN/CF
- European Constructors (ACEA) : A3/B4-12; A3/B3-12

Meets and exceeds the specifications of the following vehicle manufacturers

- Mercedes Benz : MB229.3
- Volkswagen : VW 502.00/505.00

Caution

NOTE: Not recommended for heavy-duty diesel engines or vehicles fitted with DPF. Refer to your vehicle service manual or Nulon lube guide for correct lubrication requirements and service intervals.

CAUTION: Avoid skin contact with used engine oils. Wear suitable gloves. If skin contact occurs wash immediately with soap and water. Avoid prolonged and repeated contact with used oil. Protect the environment. Do not pollute drains, ground or water with used engine oils. Dispose of container as per EPA guidelines. Do not use this container for fuel or solvents.

Pack Sizes

Part No: PSYN10W40-5
5 litres - 3 Per Carton
Barcode: 9311090 004801
