

Pro-Strength Diesel Turbo Cleaner

Nulon Pro-Strength Diesel Turbo Cleaner is a highly advanced and unique diesel fuel additive. Activated through the combustion process, the additive removes and cleans carbon and soot deposits commonly found on exhaust side components of turbocharged diesel engines.

Benefits

- Improves combustion and restores engine power
- Removes built-up soot from diesel exhaust system surfaces
- Cleans deposits from turbochargers, EGR valves, sticky wastegates and catalytic converters
- Cleans fuel systems and injectors to restore power and fuel efficiency
- Reduces Internal Diesel Injector deposits
- No impact on fuel filters/filtration
- Activates and cleans Diesel Particulate Filters (DPF)

Directions for Use

DIRECTIONS FOR USE: Simply add a 500ml bottle of Diesel Turbo Cleaner to your fuel tank. One bottle treats from 40 to 100 litres of diesel. Use as required or at each vehicle service interval.

TREATMENT RATE: For optimum cleaning and fastest results, add 500ml to 40 litres of fuel.

Caution

SAFETY DIRECTIONS: Avoid contact with eyes or skin. DO NOT SWALLOW. Keep out of reach of children. Combustible. Keep away from heat or flame. Do not breathe vapour. Wash hands thoroughly after use.

FIRST AID INSTRUCTIONS: For advice, contact a Poisons Information Centre (Phone e.g. Australia 131 126; New Zealand 0800 764 766) or a doctor (at once).

CAUTION: Do not reuse container for any other purpose.

Pack Sizes

Part No: PDTC
500 ml - 6 Per Carton
